Contract No.: 0094-0252

Headline: I-95 Southbound On-ramp Closure. The Bridge Street on-ramp to I-95 Southbound in Groton shall be closed beginning December 23, 2017.

The Connecticut Department of Transportation is announcing the Bridge Street on-ramp to I-95 Southbound in Groton, shall be closed beginning December 23, 2017, to improve maintenance and protection of traffic as part of the ongoing I-95 Southbound Gold Star Bridge Rehabilitation Project, in Groton and New London. The ramp will be closed for an extended duration.

Body of the Message:

The project consists of repairs to the I-95 Southbound Gold Star Bridge. The repairs include structural steel repairs, concrete deck patching, joint replacement, illumination, and paving. Construction activities began the week of 4/17/17. Long-term lane shifts/closures will be part of the construction sequence. Additional off-peak hour lane closures may also be necessary to expedite the needed repairs.

DOT Project No. 0094-0252 was awarded to Mohawk Northeast, Inc. of Plantsville, Connecticut, for a cost of \$26 million on December 16, 2016 and is scheduled to be completed November 30, 2018.

RAMP CLOSURE INFO:

The Bridge Street on-ramp to I-95 Southbound in Groton shall be closed.

Bridge Street Traffic shall be detoured to SR 12 (Long Hill Road) to the I-95 Southbound on-ramp.

North Street Traffic shall be detoured to Meridian Street, to SR 349, to the I-95 Southbound on-ramp.
