Section 1. The sum of \$2,500,000 is appropriated for the 2009 Fire Department Enhancement Program, consisting of the planning, acquisition, design and construction of renovations and additions to the Headquarters Fire Station, including renovations to meet current health, safety, fire and ADA codes, acquisition of a tower ladder truck and a pumper engine, and acquisition of hydraulic rescue tools and equipment, and for administrative, printing, legal, and financing costs related thereto, said appropriation to be inclusive of any and all State and Federal grants-in-aid thereof.

Section 2. To meet the City's share of said appropriation, \$1,727,500 bonds of the City or so much thereof as shall be necessary for such purpose, shall be issued, maturing not later than the twentieth year after their date. Said bonds may be issued in one or more series, provided that the total amount of bonds to be issued shall not be less than an amount which will provide funds sufficient with other funds available for such purpose to pay the principal of and the interest on all temporary borrowings in anticipation of the receipt of the proceeds of said bonds outstanding at the time of the issuance thereof, and to pay for the administrative, printing and legal costs of issuing the bonds. The bonds shall be in the denomination of \$5,000 or a whole multiple thereof, be issued in fully registered form, be executed in the name and on behalf of the City by the facsimile or manual signatures of the Mayor and the City Treasurer, bear the City seal or a facsimile thereof, be certified by a bank or trust company, which bank or trust company may be designated the registrar and transfer agent, be payable at a bank or trust company and be approved as to their legality by Robinson & Cole LLP, Attorneys-at-Law, of Hartford.
